

# Dennis E. Gilbert, CSP

Your organization recognizes the critical need for increasing its competitive advantage, improving membership or customer loyalty, and increasing both revenue and profit.

Successful ventures are those that are strong enough to pivot and courageous enough to accelerate.

## **Pivot and Accelerate**

### **May the Change Be With You!**

This presentation will energize your audience to:

- Get unstuck from stress and transition to game changing energy.
- Release self-limiting anchors and boost confidence.
- End the procrastination of waiting for luck and ignite energy for goal achieving persistence.
- Remove doubt and boost confidence enhancing their competitive advantage.

### **Leadership - Creating the Vortex!**

This presentation will invigorate and empower your audience to:

- Continually transform from technical experts to game changing leaders.
- End business busting miscommunication and ignite the relentless power of information sharing.
- Transform energy zapping, gossip ridden environments into highly sought after success emanating cultures.
- Replace tired and worn out leadership messages with a compelling and confident call-to-action that generates buy-in and stimulates growth.

**Repeat business:** "Dennis delivered an uplifting and empowering message at the annual meeting of one of my client associations. Next Spring, he will be the keynote speaker at another client's conference. I have and will continue to recommend Dennis' talents, skills and insightful messages to other organizations."

- Gil Longwell, **Meeting with Success!**

**Reach any audience:** "The presentation Dennis provided to a 55+ (age) audience was well received and I was amazed by the amount of questions for Dennis. It clearly demonstrated his versatility to present to various groups with different backgrounds."

- Gerry Chickeletti, **Mature Workers Program**
